Let's Make Great Projects DK 2018-07-05 An exciting project-included book of crafts, activities, and experiments for curious children who love to make, play, and explore. With clear step-by-step instructions and photos, children will learn about school subjects through interactive activities, crafts, and experiments. There are 25 great projects on offer - from creating an astronaut's outfit or building a sundial, to taking a trip back in time to see how the mighty roman legionaries conquered their enemies. And that's just for starters - on top of nature and history, the book also covers wildlife, science, and space - so animal lovers and wannabe astronauts will also be delighted by what's on offer. Children will absolutely love the variety of crafts, activities, experiments, and facts, and parents will love how Let's Make Great Projects supplements and complements school subjects, while providing inspiration and tips for bringing projects to life. All projects can be completed with readily available household items or easy-to-find art supplies, making this the perfect book for eager little readers who are looking for their next great hands-on project. *Maggie for Hire* Kate Danley 2011-09-01 When monsters appear on Earth, Maggie MacKay is on the job. No one is better at hauling the creepy crawlies back where they belong. No one, that is, except Maggie's dad, who vanished in the middle of an assignment. Now, an elf named Killian has shown up with a gig. Seems Maggie's uncle teamed up with the forces of dark to turn Earth into a vampire convenience store, serving bottomless refills on humans. Ah, family... The only hope for survival lies in tracking down two magical artifacts and a secret that disappeared with Maggie's dad. WARNING: This book contains cussing, brawling, and unladylike behavior. Proceed with caution.

Little Red Hen - Read it yourself with Ladybird 2013-07-04 An enhanced read-along audio ebook from Ladybird. Based on the classic fairy tale. Little Red Hen wants help planting and cutting the wheat, grinding the flour and making the bread, but the cat, the rat and the dog refuse to join in - until the bread needs eating! Read it yourself with Ladybird is one of Ladybird's best-selling series. For over thirty five years it has helped young children who are learning to read develop and improve their reading skills. Now, for the first time, each title is also available as an ebook with synched audio. Each Read it yourself book is very carefully written to include many key, high-frequency words that are vital for learning to read, as well as a limited number of story words that are introduced and practised throughout. Simple sentences and frequently repeated words help to build the confidence of beginner readers and the four different levels of books support children all the way from very first reading practice through to independent, fluent reading. Each book has been carefully checked by educational consultants and can be read independently at home or used in a guided reading session at school. Little Red Hen is a Level 1 Read it yourself title, suitable for very early readers who have had some initial reading instruction and are ready to take their first steps in reading real stories. Each story is told very simply, using a small number of frequently repeated words.
